Talking to a member of the boy's team, the average person might not understand what he was saying: "Our P.P.M. run today was tough, but the C.T. tomorrow will be a crusher." Pace Per Mile and Critical Threshold runs were a part of the new program that added to the Rocket's success. Evan Bosetti, with a second in the FVA race and the sectional title, led the Rockets to a sixth place finish at the state meet. Competition for the varsity team and "best-looking" honors proved fierce throughout the grueling season.

Above: CC boys line up for a great race at Marquette Invitational where they finished in first place.

"The Rocket boys, who are state-bound for the second time in three years, are led by Sophomore Evan Bosetti, who won the sectional title and was second at the FVA race."
