# Kimberly, Neenah qualify teams for state meet

## Papermakers boys, Rockets boys, girls make state field

### WIAA SECTIONAL CROSS COUNTRY

By Dick Knajinski  
Post-Crescent staff writer

**WINNECONNE** — While the Kimberly Papermakers were very pleased with their winning times at Friday's WIAA Division 1 cross country sectional, Neenah was elated to make seconds count.

The Papermakers won the boys' team title and both the boys' and girls' individual races at Lake Breze Golf Course. Neenah added to the Fox Valley Association dominance of the meet by finishing second among both boys' and girls' teams to secure places at the state meet.

"I don't think I've ever been so happy about finishing second at a meet," said Rockets boys' coach John Morgen.

"Kimberly and West Bend West both beat us solidly earlier in the year, but we've had several guys step up for us."

The top two teams in each race, along with the top five individuals from other teams, qualify for the Oct. 29 state meet at The Ridges Golf Course in Wisconsin Rapids.

The Kimberly boys' team put four runners in the top 15 to defend its title. The Papermakers finished with 55 points, 16 fewer than Neenah, behind a one-two finish by Tyler Morey, last year's sectional runner-up, and fellow junior Kevin Romenesko.

"This was a very good day for us today," Kimberly coach Luke Demerath said.

Morey and Romenesko dashed away from the field at the start of the 5,000-meter race. Romenesko led the first 1,000 meters before Morey pulled ahead and eventually won in 15:29, 21 seconds faster than his 2004 time.

"I came through the first mile with Kevin at 4:52, and we were planning to be there in 5:05 or 5:07," Morey said. "I saw my dad there and I just rolled my eyes a little bit, but he was like, 'It's OK.'"

"I was worried it was too fast, but I just felt awesome today."

The Rockets, who returned only two runners from last year's sectional runner-up team, qualified for state for the ninth time in the past 10 years. They were led by senior Mike Stiff, who placed seventh despite running with nine stitches in one foot — the result of an accident last weekend.

The Neenah girls' team qualified for state for the first time since 2001 by finishing second with 81 points, just five behind West Bend West. Bronwyn Mutchler's third place led the Rockets, who put all five of their scoring runners in the top 25.

"These girls had state as their number one goal when we started the year," Neenah girls' coach Mike Heidke said. "We had good senior leaders and they supported me, a first-year coach here, and did every training workout that we asked."

Kimberly swept the individual championships as sophomore Kelly Bogard won the 4,000-meter girls' race in 14:17, 41 seconds faster than her 2004 sectional runner-up time. Bogard was pursued closely for more than a mile by Kaukauna junior Abbey Novak, who eventually fell back and finished second in 14:49.

"Abbey ran a great race today and I think that kind of pushed me," said Bogard, who placed 25th at state as a freshman. "I just wanted to improve my time here from last year and that's what I want to do at state next week, too."

Novak was joined by teammate Allison Wolter, who will be making her third straight state trip, as the area's only individual qualifiers to come out of Friday's meet.

"I knew state was a reachable goal," Novak said. "The only reason I didn't make it before is because I would mentally break down during a race. I just had to stay positive, and listen to your mind over your body to keep yourself going."

**BOYS (5,000 meters)**  
KIMBERLY 55\*, NEENAH 71\*, WEST BEND WEST 97, FOND DU LAC 130, MANITOWOC 136, SHEBOYGAN NORTH 185, HARTFORD 211, OSHKOSH WEST 216, KAUKAUNA 216, WEST BEND EAST 227, MENASHA 276, 411, SHERBOGAN SOUTH 496, BEAVER DAM 494 (\*-state team qualifier)
