# Papermakers place two in top 10 of meet

By Joe Ziemer  
Post-Crescent staff writer

**WISCONSIN RAPIDS** — Tyler Morey was feeling a lot of things when he crossed the finish line at the WIAA state cross country meet on Saturday.

He was tired. He had a headache. But, he was happy.

Easing the Kimberly junior's pain was a fourth-place Division 1 finish at The Ridges Golf Course.

"It's a really hard course," said Morey, who had a time of 16:01. "I ran OK. Obviously fourth is good — it's better than I've ever done before."

Adding to the happiness was the fact that teammate Kevin Romenesko was just seconds behind him in seventh place. Also a junior, Romenesko, finished in 16:07, capping off a pretty successful state meet for the Papermakers, which included a girls' state title by sophomore Kelly Bogard.

"Kevin ran awesome," Morey said. "I had no clue

where he was behind me, but taking seventh is awesome."

Romenesko couldn't help but smile when talking about his seventh-place finish. A year ago, he came in 57th at the state meet.

"That was a lot better than I was expecting," Romenesko said. "I was just hoping to improve on last year's time and I improved about a minute."

One of the reasons for that improvement was the presence of Morey in the lead pack.

"I saw him and that helped me," Romenesko said of his teammate. "I wanted to beat him. I didn't, but it still helped me go faster."

A bad break dropped New London's Nick Schaefer to 12th in the Division 1 race. The leader after one mile, Schaeffer followed another runner down the wrong trail on the final straightaway. By the time he got back on course, he had fallen out of the lead pack.

"It took me a little while to turn around," Schaefer said. "It

had a big mental impact on me. A whole group of people went by me. I just couldn't get it together. I broke down."

Xavier's Tom Reader would have preferred to finish higher than 18th in the Division 2 race. But, for a sophomore making his first trip to state, the meet gave him a glimpse of what is to come in future years.

"I've got two more years," said Reader, who finished in 17:04. "Now I know what to expect next year and I have a goal to beat."
