Harriers run to another successful season

The Neenah Rocket Harrier Squad overcame injuries to many of its top runners this season to cop a fourth place finish in the WIAA State Meet.

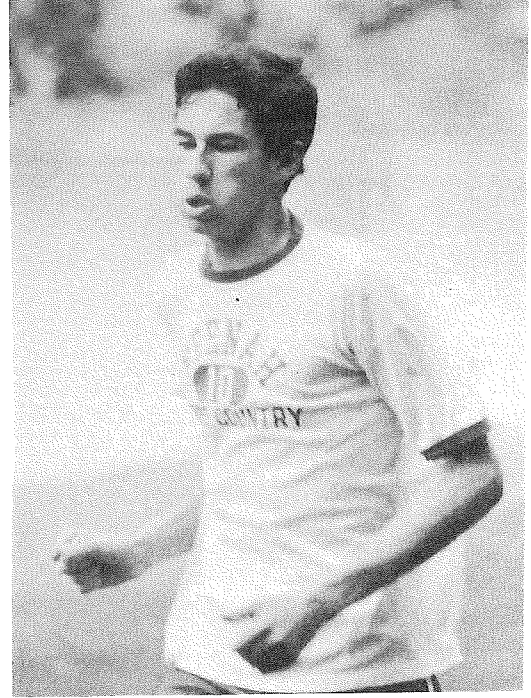

Although plagued by many injuries throughout the season, the Rocket harriers garnered an excellent record, beginning with a convincing victory over a ten team field at the Hodag Invitational at Rhineland. They continued their winning ways by capturing firsts and seconds in many of their meets. They were ranked among the top five teams in many of the U.P.I. polls,

and were ranked fourth in the final poll of the season. In the State meet the Rocket Harriers ran their way to an impressive fourth place finish, with their two running aces, Dave Johnson and Dave Schaller taking third and fourth places respectively. After the meet, Coach Tom Jensen stated that he was satisfied with the team's performance, noting that they had defeated many tough teams and had two boys in the top five. An outstanding finish to an outstanding year.
