

Neenah is off to a great start.

The Boys Cross Country team had another good season winning big invitationals and competing hard when competition was rough. The boys practiced after school and ran as a team with two or three in a "pack" during meets. The team worked hard to capture a conference meet; and they placed second at sectionals, losing to Manitowoc by one point. The boys worked hard and improved greatly by the end of the season.

The J.V. cross country team had another successful season, winning the opening race at Conference. Mr. Severson worked with the J.V. team in hopes that they might take the place of the seniors who will graduate this year. The J.V.'s also gave support to the rest of the varsity squad as they competed at Sectionals. The team improved with each meet and knows what the competition will be like in future years.

Neenah is out in front.
