Neenah expects to succeed despite losing 17 runners

By Joe Ziemer
 Post-Crescent staff writer

In his 11 years of coaching, Neenah boys' cross country coach John Morgen has seen and gotten used to a lot of things. One of them is replacing runners. That is exactly what Morgen and the Rockets will have to do this year. Neenah lost virtually its entire varsity squad from one year ago — 17 letterwinners to be exact.

Morgen

"That's something that's just part of the sport," Morgen said. "It's not uncharted waters for us."

While Neenah has become accustomed to losing talented athletes throughout the years, those graduated seniors represented a very successful class. As a group, they were a part of

three Fox Valley Association titles, a state championship in 2001 and three additional trips to the state meet.

"They were really big leaders for us," Neenah senior Mike Stiff said of the departed class. "They always pushed us through practice."

Graduation losses or not, the Rockets expect success. In Morgen's 11 years as head coach, Neenah has won six Fox Valley Association titles and reached the state meet eight times, including the last seven years in a row.

"So much of a team's success is often their perception," Morgen said. "You've heard the old saying, 'Success breeds success.' I think the tradition of winning gives our athletes a sense they can achieve great things."

Neenah is not content to merely rebuild. The Rockets

expect to contend in the always tough FVA, a conference that includes Kimberly, one of the top teams in the state, as well as tough teams like Appleton East and Fond du Lac.

To continue their winning tradition this season, Morgen will look to his seniors for leadership, particularly Ross Younger and Stiff.

"There is a lot of pressure to live up to the Neenah standard," Younger said. "But, that also keeps us going. This is our time now. What the program does from here has a lot to do with us."

Younger, a one-time JV conference champion and a member of the 2004 FVA all-conference second team, is relishing that opportunity.

"The team really looks to Ross for leadership," Morgen said. "He's really taken on that

role. He's really going to help us, not only because of his ability but because of his leadership."

Like Younger, Stiff is also a past JV conference champion and was on the 2004 all-FVA second team.

"Mike is a very talented runner," Morgen said. "We hope he can inspire some other people to run with his performance."

In his final year at Neenah, Stiff does not intend to be just another also-ran.

"Our senior class is looking to win it," Stiff said.

Some preseason predictions have Neenah in the conference's second tier. The Rockets are not ready to resign themselves to that fate.

"I wouldn't be saying that too quick," Younger said. "I think we have a pretty strong team."
