CROSS COUNTRY SECTIONAL NOTEBOOK

Twin Rocket power

Neenah kept its position as the area's top cross country power by qualifying both its boys' and girls' teams for the state meet.

The Rockets boys won the meet with 54 points, 19 fewer than Appleton East. According to Neenah coach John Morgen, it marks the 11th straight year the team has qualified for the state meet, which is the longest active streak in the state. It is also the 12th time in the last 13 years the Rockets boys will run at state.

"I don't think in the history of this event here that any team has put seven guys under 16:41," Morgen said. "That is very, very impressive."

Neenah used pack running Friday as top runner Kaiser Behnke was slowed by injury and illness, while No. 2 runner Matt Houston was also injured and missed the meet. Behnke still placed eighth, while the Rockets covered 10th through 13th places with Josh Dederer, Derek Fahrenkrug, Erik Hofferber and Chris Parker, respectively.

The Rockets girls qualified by placing second with 66 points, seven more than champion Fond

RUNNERS TAKE OFF from the starting line of the boys' race in Winneconne on Friday.

du Lac. The top two teams and top five individuals from all other teams qualify for the Nov. 1 state meet at Wisconsin Rapids.

"We knew it would be close, but we'll take second here," Neenah girls' coach Mike Heidke said. "We just told the girls to run their race. A lot of times athletes will get psyched out when they try to do more than they're capable of."

Behind Lydia Fahrenkrug's second-place finish, Vienna Behnke was eighth, Lindsay Tur-

chan 10th, Whitney Heemstra 21st and Claire Tipton 25th. Neenah's qualifying as a team allows Heemstra to participate at the state meet for four years.

Running Terror

Appleton West sophomore Carrie Glauser qualified for state by finishing sixth, coming in as the No. 4 individual qualifier.

"I just really wanted it today," said Glauser, who ran a personal-best of 15:20 over the 4,000-

meter Lake Breeze Golf Club course. "It was a better time than I thought."

He said it

"It starts way back in summer. After track season was done, we didn't take any breaks. We just started training for cross country." — **Sam Leschisin**, Appleton East junior, on preparing for this season.
