FLYING FEET AND FLASHING SKATES

With a new coach and a favorable outlook the Neenah cross country team was the class of the conference. It wouldn't be right to say they walked away with the title but they did win the conference meet easily. For the second time in its four year history the team qualified for the state meet.

The seven letter winners were headed by Jim Hammill and captain Tom Farrin who finished 1-2 in the conference meet. Coach Meixl should have another fine team next year.

Again this year the laborious sport of hockey was resumed during the winter months. With a broader schedule of four games the Neenah High hockey team, coached by Mr. Pearson, finished the season with a 2-2 record, beating Appleton twice and losing to Madison West and Monona Grove. Using the rink at the Recreation Park as a base, the season was spent with many intrasquad games besides the competitive ones.

Kneeling: Kells, Zimmerman, Powell, P. Talbot, Ison.
 Standing: Jackson, Babbitt, Millar, Eastwood, Cleveland, Coach Pearson.
